My request is to inform me what are your plans concerning the seminar fees.{send by bank transfer or bring with you}. In all cases you will have a receipt from the Cyprus Association.

The name of the participant should be indicated on the bank receipt so to know who is sending the money. EUR is in our life, but we still think in CYPounds.

Warm regards from Cyprus. January 2008 the coldest month and the driest month for the last 100 years. The temperature is 14 C for the last 10 days while the average in January is 17C .In two days the temperature is going up to 17C. The average the end of March is 23-24 C, with bright days ,ideal for swimmers from cold countries.

We will be about 40 participants . I have already from many participants the dates of arrivals and departures . I am requesting ,to inform me as soon as possible if you need to book for you extra days at the hotel. The main lecturer-facilitator will be one of the best in Europe , Mr Jim Soulsby, from the National Institute for Adult, Continuing Education, England and Wales {NIACE} .

Looking forward to meeting you soon. We start on Wednesday afternoon at 18.00 p.m with a short meeting to know each other and talk in general about the programme. Then we will have dinner at the hotel. I know that some will arrive in the evening and they will meet us for dinner. I know also that some will depart in the morning on Sunday and they will miss the final meeting. There is no any problem as they will receive their certificates earlier.

I am at your disposal . I feel so glad to meet so many distinguish colleagues.

Congratulation for the successful application to be in Cyprus the end of March. I am sure that you will have an enjoyable and fruitful time in Cyprus. I will do my best to remember for many years the time in Cyprus.

You are the first group which has been approved. Many countries have not yet released the results. I expect to be 35 and more participants. I booked the large hall of the hotel-usually used for weddings and dinners- which is very comfortable . I booked also the hotel for all of you for 4 nights, from Wednesday the 26, to Sunday the 30. I will pay the hotel and all meals ,study visit etc, everything in Cyprus.

If you are interested to stay more days before or after the seminar and you want to stay at the same hotel ,the SUN HALL hotel ,please inform me. The cost per extra day, bed and breakfast is 58-60 EUR {EURO is coming to Cyprus on the 1st of January 2008} . The hotel is 4 stars, is in the centre of Larnaka ,and is opposite the beach. I can book the hotel for you for the extra days.

We will start on Wednesday the 26 around 18.30 p.m with information about the seminar, about the elderly in Cyprus and to get together and know each other. If your flight requires to arrive later in the evening of Wednesday ,there is nothing to worry , you will join us at the dinner at the hotel.

From the airport to go to the hotel you need a TAXI which cost 10 EUR.If you are 2 or 3 or 4 you share the cost. It takes 10 minutes to go to the hotel. There are no buses, no trains . The TAXI service is 24 hours. You can use my mobile tel. 00357-99470810 any time .
